Re: Petitions for Forbearance From Title II and Computer Inquiries Requirements for Enterprise Broadband Services, WC Docket Nos. 04-440, 06-125, 06-147

Dear Mmes. Guyer and Newman and Messrs. Quinn, Lanning, and Sayre:

In light of the issue raised by the Commission's recent ACS Order concerning the proper geographic scope of analysis for the enterprise broadband market, we ask that you provide the Commission no later than August 31st market data to enable a "local market analysis" for the services identified in your forbearance petitions.

If you have any questions regarding this matter, please contact Marcus Maher or Donald Stockdale, Wireline Competition Bureau, at (202) 418-2339 or (202) 418-1589, respectively.

Sincerely,

Thomas J. Navin
Chief, Wireline Competition Bureau
